## • WHAT OTHERS *say* •

We absolutely loved having Amberly at our 95.9 The Fish Women's Night Out. She was so engaging and has a total gift for interweaving her hilarious personality into a Christ-centered message. Having her partner up with us for this event was a total blessing and we hope to have her back again. Love her heart. Not only was she great to have as a guest speaker, but it was a pleasure working with her behind the scenes as the event was being coordinated.

Amberly Neese was the keynote comedian for our FaithTalk Ladies Night Out - Food, Faith & Fun event. Amberly is a wonderfully funny, sister in Christ who tells the truth of the Gospel through humor and stories. The women in the audience rotated between being on their sides laughing and seriously considering their relationship to Christ.

Amberly delighted our group of ladies at our Women's Retreat! Her energy was infectious as she related to each woman no matter their stage in life. She had us in uproarious laughter while still delivering the important message that God sent her to us to convey. She not only was transparent while speaking, but allowed us into her personal life as one of the women at the retreat. We can't wait to have her back again!
